

Camp Wow registration for middle school youth, currently in 6th-8th grade, is open!

Camp WOW 2024 this year will be at Camp Timber-lee in East Troy, WI. Camp will be on Saturday, June 8th until Tuesday, June 11th. We are VERY excited for this year!! The cost of camp this year will be \$350; however, please do not let the cost of camp deter you. If you want your child to attend but are financially unable, please reach out to Veronica [youthminister@newmanniu.org](mailto:youthminister@newmanniu.org).

*If you would like to sponsor a youth member for Camp Wow please leave your donation and your name in an envelope marked Veronica/Camp Wow Sponsorship and drop it off at the office*  
Click the link below to register

<https://www.jotform.com/233187897437170>

A deposit of \$75.00 will be due before you are considered fully registered. Deposits can be made via cash or check made out to Christ the Teacher Parish. Please place it in an envelope with **Veronica/Camp Wow registration** written on the outside and turn it into the office.

At this time, the only form that needs to be filled out is the registration form above. However, there will be medical forms and other important forms to be filled out at our parent meeting in the spring - date TBA. You will be expected to have any medical information, especially prescriptions, at that time. In addition, the total amount will be due at the parent meeting

Lastly, registration is restricted to Christ the Teacher/Newman Center parishioners only until March 15th. After this date, any spots that have been secured for our parish will be released to all other parishes involved and potential campers on the waitlist. We currently only have 15 camper spots secured for our parish, so please act fast. I expect these to be filled quickly based on last year's numbers.
