

NIK RETREAT

The Greek word "koinonia" means community in Christ. That's at the heart of Koinonia retreats. We hope you will decide to participate in this experience which has touched the lives of so many college students.

Koinonia is a student led retreat experience found on many college campuses around the country. It provides a great opportunity to grow into a deeper relationship with Christ and the church. Students give the talks and lead the discussions. There is also a great spirit of celebration and fun on the weekends as we experience community in Christ. Though the retreat is offered from a Catholic perspective, those from other denominations are welcome to attend.

Starting time for the retreat is 4:00 p.m. on Friday. We meet at the Newman Center to carpool to Bishop Lane Retreat Center in Rockford. Please indicate if you can drive.

The retreat concludes at 4:00 p.m. on Sunday.

Total cost is \$25.00 per person.

Financial assistance is available.

Please make your check payable to Newman Catholic Student Center and return the application and payment to:
